NOTICE OF HEARING

PLEASE TAKE NOTICE that in accordance with Article 25AA of the NYS Agriculture and Markets Law, a public hearing will be held before the Planning and Economic Development Committee of the Monroe County Legislature at 3:00 p.m. on Tuesday, the 7th day of September, 2004, in the County Legislative Chambers in the County Office Building, Rochester, New York on proposed additions to the Monroe County Midwestern Agricultural District #1, Southwestern Agricultural District #2 and Southeastern Agricultural District #4. The public hearing is being held to give the public an opportunity to comment on: (1) the proposed additions to the Districts; and (2) the recommendations of the Monroe County Agricultural and Farmland Protection Board.

The existing Midwestern Agricultural District #1 occupies portions of the Towns of Sweden, Ogden and Riga. The following three parcels are proposed to be added to the District: 628 Ladue Road, Town of Sweden, consisting of approximately 118.7 acres, tax account number 113.01-1-18, owned by Edward Perrine; 175 McIntosh Road, Town of Riga, consisting of approximately 128.0 acres, tax account number 129.04-1-18.1, owned by the Morgan Brothers; and 121 McIntosh Road, Town of Riga, consisting of approximately 12.4 acres, tax account number 129.04-1-15.1, owned by Thomas Klafehn.

The existing Southwestern Agricultural District #2 occupies portions of the Towns of Riga, Chili and Wheatland. The following two parcels are proposed to be added to the District: 122 Stryker Road, Town of Chili, consisting of approximately 71.7 acres, tax account number 158.04-1-5.11, owned by Helen Daugherty; and 125 Stryker Road, Town of Chili, consisting of approximately 5.0 acres, tax account number 158.04-1-5.3, owned by Helen Daugherty.

The existing Southeastern Agricultural District #4 occupies portions of the Towns of Perinton, Pittsford, Henrietta, Mendon and Rush. The following parcel is proposed to be added to the District: 1060 Erie Station Road, Town of Henrietta, consisting of approximately 35.3 acres, tax account number 189.01-1-18.1, owned by Henry Hansen.

The Monroe County Agricultural and Farmland Protection Board has reviewed the proposed additions to the Districts and finds they are comprised predominantly of viable agricultural land and that inclusion of the parcels into the Districts would serve the public interest by assisting in maintaining a viable agricultural industry within the Districts. The Monroe County Agricultural and Farmland Protection Board recommends that the Districts be modified to include the additional parcels.

General maps of the Districts and the proposed additions are provided with this notice. A detailed map of the existing Districts and proposed additions may be examined in the Office of the Clerk of the Monroe County Legislature, 407 County Office Building, 39 West Main Street, Rochester, New York. A report that includes the recommendations of the Monroe County Agricultural and Farmland Protection Board regarding the proposed additions may also be examined in the Clerk of the Legislature's Office.

All parties of interest and citizens will be heard at the public hearing.
